

ONLINE LICENCE RENEWAL USER GUIDE

Introduction

Racing VIC in conjunction with Racing Australia is progressively introducing the ability for paper based licence renewals to be completed online via the Single National System (SNS).

The SNS is now delivering to the Thoroughbred industry nationally the capacity to provide participants with a significantly enhanced experience when interacting with core industry functions and processes.

The SNS provides a set of unified tools which empower industry participants to transact online rather than completing paper based forms.

If you are eligible for licence or registration renewal for the 17/18 season you will have already received an email to your private email address (as listed on your Renewal Application form) which provides you with a link to enter the online portal.

To renew online, visit [RACING AUSTRALIA LICENSING SERVICE FOR RACING VICTORIA](#) (click 'Licensing on the home page then Online Licence Renewal User Guide) by 29th July 2017. The online process is very simple and it eliminates the requirement to submit your renewal form via post, email or fax.

If you do not wish to renew online, you will be required to renew by downloading the pdf renewal form from the Racing Victoria or Racing Australia website and forwarding to licensing@racingaustralia.horse.

To access the online portal you will need one of the following Internet browsers:

- **Internet Explorer 9 or 10**
- **Firefox**
- **Google Chrome**
