

When should a Horse Registration form be lodged?

When an owner wants to have their horse named and registered for racing.

Completed forms can be lodged with Racing Australia (RA):

- Online at www.myhorseracing.horse; or
- In paper form – by post to The Registrar of Racehorses, Racing Australia, Level 11, 51 Druitt Street, Sydney NSW 2000; or by email to registration@racingaustralia.horse.

Online forms will be processed more promptly than paper forms.

IMPORTANT NOTE: Forms should be lodged at least 10 business days before the horse is nominated to trial or race.

Info sheet - Horse Registration

Foal Identification Card

The horse's Foal Identification Card (issued by the Australian Stud Book) must be lodged with the horse registration application. If the card has been lost or stolen, contact the Stud Book on (02) 8072 1900 or email studbook@racingaustralia.horse.

Following registration, a horse will be issued with a Certificate of Registration and a Thoroughbred Identification Card. These documents should remain with the horse at all times for identification purposes.

Appointment of Manager

The manager of a horse is the first named person recorded on the horse registration application. If the first named owner is a registered syndicate, the syndicate manager is the manager of the horse.

The manager acts for and represents the other co-owners of the horse, as described in the Australian Rules of Racing (http://www.racingaustralia.horse/FreeServices/Australian_Rules_Of_Racing.aspx) and the RA Co-owner Agreement (COA) (<https://tor.racingaustralia.horse/co-owner-agreement/>).

The COA sets out the manager's rights and obligations for acting on behalf of the co-owners. While the manager may make most day-to-day decisions in their discretion, significant decisions regarding the horse require the approval of co-owners with a certain percentage of ownership or a set process be followed. For example, under the COA, the manager may sell the whole of a horse and seek to process a transfer of ownership on behalf of all co-owners if the manager has given the co-owners reasonable notice of the proposed sale and obtained consent from the co-owners representing a majority interest in the horse.

The manager may sign and/or lodge any future Named Racehorse Transfer of Ownership form and/or Change of Share % form on behalf of the remaining owners if there is no change to their share percentage. The manager must notify all remaining owners of the transfer in advance.

However, the manager may not sign a Named Racehorse Transfer of Ownership form on behalf of the outgoing owners. Generally, a transfer will only be processed if:

- Each outgoing owner has signed the form; or
- Where the whole horse has been sold, the owners with a majority interest in the horse (or other required level of interest where a written ownership agreement that varies the COA applies) have signed the form.

Change of manager

Following registration, the manager can only be changed by the co-owners representing a majority interest in the horse approving such a change and lodging a Change of Manager form (www.racingaustralia.horse/ror/forms.aspx) with RA.

If the manager plans to relinquish their interest or the new manager was not previously an owner (and there is no change to the interests of each remaining owner), the following procedure must be followed:

- The co-owners representing a majority interest in the horse must lodge a Change of Manager form with RA;
- The new manager must notify all remaining owners of the change to the ownership composition and structure of the horse;

- A Named Horse Transfer of Ownership form must be lodged with the relevant Principal Racing Authority (PRA) or Racing Integrity Body (RIB).

Types of Ownership

A horse can be registered in the names of up to 20 owner entities.

An entity can be a:

- Natural Person
- Registered Syndicate
- Company
- Unincorporated Organisation
- Stud

Please note horses can only race in the name of an individual or a registered syndicate. If a horse is registered in the name of a company, unincorporated organisation or stud which is not currently registered as a syndicate with a PRA/RIB, the horse must be leased to an eligible party for racing purposes.

Fitness and Propriety of Applicants

All individuals, including registered syndicate members, who are applying to hold a share or interest in the ownership of a horse are required to notify RA if they have been:

- Convicted of, or have a pending charge against them for, an indictable criminal offence or a criminal offence involving violence against a person or dishonest activity;
- Convicted under the Australian Rules of Racing, the Local Rules of a PRA, or the rules of any other racing authority of any code; or
- Convicted of, or have a pending charge against them for, an offence under any animal welfare/prevention of cruelty to animals legislation.

Details of the offence must be submitted in writing prior to a horse registration application being lodged. Further, an owner must within 14 days notify RA of any of the above charges or convictions if they arise following horse registration. This may result in the owner having to relinquish their interest in any horses they own (partly or wholly).

If an individual fails to truthfully and correctly (or at all) provide the required information, the application/ registration and any other application/registration concerning the individual may be refused or cancelled or other penalties incurred.

RA/PRA/RIB may also request an individual to provide a National Police Certificate where they suspect the individual has been involved in the commission of a criminal offence.

Rules of Racing

As a condition of the horse registration application being accepted, all owners must familiarise themselves with, and agree to be bound by and comply with, the Australian Rules of Racing and the Local Rules, Regulations, By-Laws and Conditions of the PRAs & RIBs (where applicable).

Intellectual property rights

Due to the essential role that RA plays in administering, promoting and reporting on Thoroughbred racing, as well as providing racing materials, RA must be able to freely use all intellectual property rights (including but not limited to copyright) that may subsist in the name, image, jockey silks and other indicia associated with horses registered to race in Australia.

In order to allow RA to use these intellectual property rights without impediment, as a condition of and in consideration for horse registration, owners must agree that RA owns all right, title or interest (including but not limited to copyright, goodwill and reputation) in the name, image, jockey silks or other indicia associated with that horse, whether existing before or after horse registration. Further acknowledgements and obligations follow from such agreement by owners – these are set out in AR 40.

Privacy and Personal Information

The personal information collected by RA during the horse registration application process includes an owner's name, birth date, address, email, mobile, GST status and bank account details. This information is required to:

- Identify owners;
- Assess a person's eligibility as an owner;
- Facilitate the administration of racing;
- Communicate with owners; and
- Enable payment of prize money.

Where information is not provided, a horse registration application may be refused or delayed until the required information is provided.

RA/PRA/RIB may also provide an owner's contact details to the manager to enable the manager to contact owners in relation to matters concerning the horse. For example, to vote on a decision to change the horse's trainer, which requires majority consent under the COA. Similarly, RA/PRA/RIB may provide a manager's contact details to co-owners to enable them to contact the manager in relation to matters concerning the horse.

An owner's personal information may also be used or disclosed by RA in accordance with RA's Privacy Policy (<http://www.racingaustralia.horse/AboutUs/PrivacyPolicy.aspx>). The Privacy Policy also sets out how owners can access and seek correction of their personal information, as well as how to make complaints regarding RA's handling of their personal information.

Declaring your GST Status

Owners are required to indicate their GST status in relation to their horse racing activity for tax purposes. If a declaration is not made, withholding tax will be deducted from the total prize money paid to the owner.

When do I supply an ABN?

If an owner's horse racing activities are conducted as an enterprise and the enterprise is registered for GST the owner can quote the ABN of that enterprise.

If an owner's horse racing activity is conducted as a private recreational pursuit or hobby, an ABN cannot be provided and the owner must declare themselves as a hobbyist. An owner can only quote an ABN if the ABN is for an enterprise that is racing horses as part of that enterprise.

Individual members of a registered syndicate must not provide their own personal or business ABN. The syndicate must be registered for GST and provide an ABN.

What happens if owners provide an ABN for a business that is not involved in horse racing activities?

If an owner provides an ABN for an enterprise whose activities do not include racing horses, the owner will be making a false or misleading statement which is an offence under tax law.

If incorrect ABN information has been provided on a previous horse registration application, an owner should contact the PRA/RIB in their state or territory.

Tax Invoices

- Where an owner or entity is GST registered, the following agreement is given:
- The recipient may issue tax invoices in respect of the specified supplies;
- The supplier will not issue tax invoices in respect of those supplies;
- The supplier acknowledges that it is registered when it enters into the agreement and that it will notify the recipient if it ceases to be registered; and
- The recipient acknowledges that it is registered when it enters into the agreement and that it will notify the supplier if it ceases to be registered.

Where can owners get more information?

For more information about GST in relation to prize money, owners should contact the Stakes Payments Department of the PRA/RIB in their state or territory. For information about whether or not an owner's horse racing activity constitutes an enterprise and should be registered for GST, owners should seek their own tax advice or contact the Australian Taxation Office.

Prize Money

How is Prize Money Paid?

Payment of prize money, and GST where applicable, is administered by the PRA/RIB in whose jurisdiction the horse became eligible to receive prize money. Please note EFT payments can only be made to Australian bank accounts.
